

# Nom Nom

**Come and take a look at our garden. You are welcome here! Sit down, lie down. Everything flows peacefully, everything has its order, its place, and its rhythm. Nom nom! Are you sure? Nom nom!! But then ... What is this? Nom nom!! Nom Nom !! Something - or maybe someone - is turning everything upside down. Not a leaf is left untouched. Destruction?! Not at all.. because nothing is ever quite what it seems at first sight...**
